

# November 2008

## Book Orders

Christmas is fast approaching. If you would like to purchase books for gifts simply write GIFT on the order form or shoot me an email and I will put your order in a bag.

## Family Photos

On November 12th I've ask the children to bring a family photo. The photo will be returned. Thank you for your cooperation.

## Rainy weather

This winter we will give the children an option during outside play time to play outside or play inside. If it's a light rain and they bring a water resistant coat we will let them play outside in the light rain.

## Pre-K Show and Tell

Miss Jenny and I would like to encourage your child to bring a show and tell that starts with the letter of the week. You can be as creative as possible (ex. A toy lizard can also be a reptile).

## Driving rules

A few rules have not been followed.

1. Parking on the correct side of the street.
2. Don't turn around in the middle of the street or in my neighbor's driveways.

## Holiday Feast

We will be having chicken nuggets, and pumpkin pie for snack on November 20<sup>th</sup> and 21<sup>st</sup>. to celebrate the Thanksgiving holiday. You don't need to provide anything.

## Stone Soup

On Monday November 17<sup>th</sup> we will be making stone soup. I am asking the children to bring a vegetable to contribute to the soup.
